CHICAGO BAPTIST INSTITUTE INTERNATIONAL is a Christian Bible College specializing in training students to be effective and fruitful disciples of Jesus Christ who will present His gospel to the world. *We train pastors, ministers, evangelists, deacons, trustees, mission workers, Christian educators, Sunday Church School teachers, ministry leaders, nurses, ushers, armour-bearers, worship leaders, musicians and all who desire to “Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth.” II Timothy 2:15.*

CHICAGO BAPTIST INSTITUTE INTERNATIONAL strives for a high standard of excellence in Biblical knowledge and practice. The Bible is the foundation of our curriculum.

ADMISSION AND REGISTRATION PROCEDURES

Those who have not previously attended the CBI International should complete an application and submit it along with a \$30.00 (non-refundable) fee. Those who have attended the Institute previously, but not during the previous school year, must submit a new application and pay the application fee. High school transcripts and College transcripts must be submitted with the completed application. College transcripts are required for an accurate assessment of courses being transferred to the Institute. Applications may be obtained from the Office of Admissions, CBI International, 5120 South Dr. Martin Luther King Drive, Chicago, IL. 60615, (773) 268-2250.

All applicants must have graduated from an approved high school or present an equivalency certificate showing proof of having passed the General Education Development (GED) tests; high school level. All applicants will be required to take the Standardized Bible Content Test during the first week of class. This is a pre-test which will have no effect on the student’s grades. A post-test will be administered towards the end of the student’s senior year. For the non-degreed programs prerequisites are not required.

Although not required for admission, at this time, the Institute encourages all prospective students to take the SAT or ACT tests. They will be used to determine academic strengths and weaknesses. These scores are also used to determine eligibility for state and federal grants, scholarships and certain student loans.

ATTENDANCE

Students are expected to attend all scheduled classes in which they are enrolled. Students who are excessively absent may be denied a passing grade or be administratively dropped. The Institute will allow a maximum of **3** absences in each semester and **1** absence during the summer session. Students are responsible for meeting course requirements regardless of the number of absences.
